Marking Milestones

Celebrating 25 Years at Celebrity

By Kathy Chrisovergis, Managing Director

Twenty-five years ago, my husband, George, and I gave a lot of thought as to what we should name our brand-new moving company. We searched for something special that would easily reflect the exact kind of service we sought to provide—service that would stand out in

the market and make a difference to our future clients. So, **Celebrity International Movers S.A.** was born. We opened our doors in the spring of 1986 in the heart of Athens. I'm proud to say that we've lived up to providing our customers with

A family business: Kathy and George Chrisovergis officially celebrate 25 years with their daughter, Christina, who grew up around moving boxes and now works for the company.

our "celebrity treatment," and as a result we've evolved into one of the best moving companies in Greece.

We've come to this proud milestone by maintaining great industry relationships

and providing the best services to new and returning clients. Our dedicated and well-trained team stands behind the celebrity service we provide. We've earned our solid reputation by continuously providing exceptional service for every type of move we manage.

For 25 years the Celebrity team has always had a passion for what they do. As a company, we meet all of the toughest standards in the industry and will continue to do so. At the same time it has always been important for us to take on new projects with the goal of improving and broadening our moving services. Today we also have a successful relocation department, which offers comprehensive services from school and home search to assisting families on a more personal level when moving into or out of Greece.

We look forward to making new partnerships in the industry and for more celebrations ahead!
